

## **Expressions of Interest**

### **Heavy Vehicle/ Diesel Mechanics Adelaide, Brisbane and Sydney**

As AHG Refrigerated Logistics continues to evolve, with this development and growth comes increased opportunities for the right people to be a part of our exciting future. We are currently taking expressions of interest for Heavy Vehicle/ Diesel Mechanics located at our Direk (Adelaide), Morningside (Brisbane) and Prestons (Sydney) facilities.

Successful applicants will be part of our workshop team working primarily on our fleet of prime movers performing general servicing, maintenance and repairs in line with NHVAS guidelines.

Preferably with three years of experience working with prime movers in the transport industry, you will bring to our business an enthusiastic, applied and supportive mindset to our workshop team.

Successful applicants will be:

- A fully qualified Diesel Mechanic
- Able to demonstrate previous experience in a similar role or the ability to apply the skills and aptitude necessary to make a real contribution to the success of our workshop operation
- HR license will be advantageous
- Able to display a willingness to provide support and guidance to apprentices and other workshop team members.

All applicants must have a reliable method of transport and be willing to undergo a pre-employment drug and alcohol medical.

Please forward all interest to [ahgrlrecruitment@ahg.com.au](mailto:ahgrlrecruitment@ahg.com.au).
