

REFRIGERATED LOGISTICS

## **INTERNAL VACANCY**

### **Cross Dock Supervisor – Afternoon Shift Erskine Park, NSW**

We are currently seeking to appoint a results driven and enthusiastic Cross Dock Supervisor to assist in effectively leading, managing and coordinating the daily planning, allocation and coordination of the Cross Dock function at the Erskine Park facility.

The role is primarily responsible for coordinating the loading and unloading of refrigerated vans within the standards of our Cold Chain Compliance and FS&Q policies, ensuring that customers and Delivery Centre time slots are provided with product in full and on time whilst meeting company operational criteria.

This opportunity is available for a professional team member with a proven history of being efficient, accurate and effective. To be considered you will need to demonstrate a good attendance record and ability to be flexible in terms of responsibilities and taking on tasks and achieving the best performance outcomes for the Dock operations.

***The successful applicant will embrace the opportunity to be accountable for the following:***

- Directly supervising leading hands and employees in the Dock team
- Carry out supervisory responsibilities in accordance with the organisation's policies
- Prioritise work flows and coordinate the loading and unloading of freight in and out of the warehouse
- Maintain on time departure of freight/product through visual and physical checks and warehouse IT systems
- Observe loading of product to determine conformance to loading patterns and to prevent shifting or damage to materials or products during transit
- Report daily to Management on; process returns, Infolink in regards to impacts and damages, left behinds for each shift, meeting HACCP standards.
- Lead by example to ensure dedication to safety and compliance
- Provide feedback to Management on key client issues/concerns relative to company service levels

***In this role you will need to have:***

- Excellent knowledge of our transport, warehouse and distribution operation and their interaction
- Exemplary attendance record and great initiative
- An ability to coordinate effectively in a high pressure environment and work within tight time frames
- Customer solution focused approach and ambition with a drive to exceed expectations
- Self motivation, exceptional organisational skills, reliability and results driven
- Excellent organisational and time management skills with an unwavering attention to detail
- A positive "can-do" attitude and ability to think quickly along with a calm, consistent and level headed approach
