Dear Valued Customer,

Please see below **National Customer Rail Advice - Delay To Pacific National Train 4PM6 Locomotive Failure - Saturday 8th February 2020 - UPDATE 1**

Please be advised that Pacific National train 4PM6 will be delayed due to locomotive failure at Thomiar in SA. This will delay the train's arrival into Adelaide and Melbourne.

The loading from 4PM6 has been further delayed and updated forecast freight availability times are as follows:

- **Train 4PM6**
 - Conveys services **4PM5, 4PMT, 4PA5**
 - Adelaide forecast freight Availability – 0630hrs Tuesday 11th February 2020
 - Melbourne forecast freight availability - 1800hrs Wednesday 12th February 2020

Please note that a portion of the train will travel from Thomiar on a later service. Freight availability times for these containers will be communicated by your local Customer Service team.

Any further updates will be published in the Customers page on the [AHG RL website](#)

Should you have any further queries or require any additional information, please do not hesitate to contact your state [Customer Service team](#) or Account Manager.

We would like to thank you, our customer for your support in working with us with relation to this matter.

Kind Regards,

AHG Refrigerated Logistics
